HW —

talking to Bill O'Reilly who
interviewed you recently for CBS
Hartford - he told me you had
mentioned powder burns on the
throat wound, JFK - I'm sure
you have a document for that -
could I please pay for a copy of
that document - Trust your health
is continuing strong. cheerio.

DATE 12/8/79 I did not tell Bill
or anyone else that there were
any powder burns on JFK's neck
or anywhere else on his body. I
have no reason to believe there
any there or elsewhere and every
reason to believe it was entirely
impossible. My writing, with
which you are familiar, parti-
cularly Post Mortem, is exactly
the opposite of this. I hope
another myth is not about to be
launched based on this non-fact.

Sincerely,
